CIVIL CODE SEC. 1102.1 DISCLOSURE CLARIFICATION

- (a) In enacting Chapter 817 of the Statutes of 1994, it was the intent of the Legislature to clarify and facilitate the use of the real estate disclosure statement, as specified in Section 1102.6.

The Legislature intended the statement to be used by transferors making disclosures required under this article and by agents making disclosures required by Section 2079 on the agent's portion of the real estate disclosure statement, in transfers subject to this article. In transfers not subject to this article, agents may make required disclosures in a separate writing. The Legislature did not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical conditions of the property and previously received reports of physical inspections noted on the disclosure form set forth in Section 1102.6 or 1102.6a, and that nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section 2079.

It is also the intent of the Legislature that the delivery of a real estate transfer disclosure statement may not be waived in an "as is" sale, as held in *Loughrin v. Superior Court* (1993) 15 Cal. App. 4th 1188.

- (b) In enacting Chapter 677 of the Statutes of 1996, it was the intent of the Legislature to clarify and facilitate the use of the manufactured home and mobilehome transfer disclosure statement applicable to the resale of a manufactured home or mobilehome pursuant to subdivision (b) of Section 1102. The Legislature intended the statements to be used by transferors making disclosures required under this article and by agents

making disclosures required by Section 2079 on the agent's portion of the disclosure statement and as required by Section 18046 of the Health and Safety Code on the dealer's portion of the manufactured home and mobilehome transfer disclosure statement, in transfers subject to this article. In transfers not subject to this article, agents may make required disclosures in a separate writing. The Legislature did not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical conditions of the property and previously received reports of physical inspections noted on the disclosure form set forth in Section 1102.6 or 1102.6a or to affect the existing obligations of the parties to a manufactured home or mobilehome purchase contract, and nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section 2079 or the duty of a manufactured home or mobilehome dealer or salesperson pursuant to Section 18046 of the Health and Safety Code.

It is also the intent of the Legislature that the delivery of a mobilehome transfer disclosure statement may not be waived in an "as is" sale.

- (c) It is the intent of the Legislature that manufactured home and mobilehome dealers and salespersons and real estate brokers and salespersons use the form provided pursuant to Section 1102.6d. It is also the intent of the Legislature for sellers of manufactured homes or mobilehomes who are neither manufactured home dealers or salespersons nor real estate brokers or salespersons to use the Manufactured Home/Mobilehome Transfer Disclosure Statement contained in Section 1102.6d.

(Amended by Stats. 1999, Chap. 517 (SB 534, Dunn), eff. 1/1/2000)

Customary agricultural practices in farm operations may include, but are not limited to, noise, odors, dust, light, insects, the operation of pumps and machinery, the storage and disposal of manure, bee pollination, and the ground or aerial application of fertilizers, pesticides, and herbicides.
